Links

Local Information on Floods

<https://www.roswell-nm.gov/185/FEMA-Flood-Information>

See Letter of Map Revision for the Hondo River submitted by the City of Roswell and Chaves County.

Flood Insurance

<https://www.fema.gov/national-flood-insurance-program>

The National Flood Insurance Program aims to reduce the impact of flooding on private and public structures. It does so by providing affordable insurance to property owners, renters and businesses and by encouraging communities to adopt and enforce floodplain management regulations.

New Mexico Department of Homeland Security and Emergency Management

<https://www.nmdhsem.org> see **Mitigation Floodplain**

The New Mexico Department of Homeland Security and Emergency Management coordinates the State's response to all hazard type events and supports local response. Emergencies and disasters can be defined as something caused by natural or human-made events or any other circumstances determined by the Governor.

New Mexico Flood Organization

<https://nmflood.org> see **Projects and Maps or interactive maps**

A collaborative resource to promote New Mexico flood risk awareness and resiliency. Website has interactive maps of flood areas and maintains links to flood related information.
